

A vision rooted in the past

ASK FOR PASSION

For more than a century, SELENIA's highly advanced lubricants have been taking the very best care of the engine's needs. Driven by a deep passion for performance and precision, SELENIA continues to deliver maximum protection against wear and deposits, enhancing vehicle performance.

SELENIA

Selenia today

Unchanged original formula: the same trusted quality and reliable performance drivers have always counted on.

Purposeful evolution: a refreshed identity that stays true to Selenia's product integrity whilst embracing modern standards.

Tailor-made for FCA circulating park: developed to meet the specific requirements of FCA engines.
